(b) DESCRIPTION OF SYSTEM AND CONVEYANCE.—The electricity distribution system authorized to be conveyed under subsection (a) consists of approximately 115 miles of electricity distribution lines (including poles, switches, reclosers, transformers, regulators, switchgears, and service lines) and includes the equipment, fixtures, structures, and other improvements the Federal Government utilizes to provide electricity services at Fort Irwin. The system does not include any real property.

(c) RELATED EASEMENTS.—The Secretary may grant to the Company any easement that is necessary for access to and operation of the electricity distribution system conveyed under subsection (a).

(d) REQUIREMENT RELATING TO CONVEYANCE.—The Secretary may not carry out the electricity distribution system authorized by subsection (a) unless the Company agrees to accept the electricity distribution system in its existing condition at the time of the conveyance.

(e) CONDITIONS ON CONVEYANCE.—The conveyance authorized by subsection (a) is subject to the following conditions:

(1) That the Company provide electricity service to Fort Irwin, California, at a rate established by the appropriate Federal or State regulatory authority.

(2) That the Company comply with all applicable environmental laws and regulations (including any permit or license requirements) regarding the electricity distribution system.

(3) That the Company assume full responsibility for ownership, operation, maintenance, repair, and all regulatory compliance requirements for the electricity distribution system.

(4) That the Company not commence any expansion of the electricity distribution system without approval of such expansion by the Secretary.

(f) DESCRIPTION OF EASEMENT.—The exact acreage and legal description of any easement granted under subsection (c) shall be determined by a survey satisfactory to the Secretary. The cost of such survey shall be borne by the Company.

(g) ADDITIONAL TERMS AND CONDITIONS.—The Secretary may require such additional terms and conditions in connection with the conveyance under subsection (a) and the grant of any easement under subsection (c) as the Secretary considers appropriate to protect the interests of the United States.

SEC. 2884. CONVEYANCE OF WATER TREATMENT PLANT, FORT PICKETT, VIRGINIA.

(a) AUTHORITY TO CONVEY.—(1) The Secretary of the Army may convey to the Town of Blackstone, Virginia (in this section referred to as the "Town"), all right, title, and interest of the United States in and to the property described in paragraph (2).

(2) The property referred to in paragraph (1) is the following property located at Fort Pickett, Virginia:

(A) A parcel of real property consisting of approximately 10 acres, including a reservoir and improvements thereon, the site of the Fort Pickett water treatment plant.

(B) Any equipment, fixtures, structures, or other improvements (including any water transmission lines, water distribution and service lines, fire hydrants, water pumping stations, and other improvements) not located on the parcel described in subparagraph (A) that are jointly identified by the Secretary

and the Town as owned and utilized by the Federal Government in order to provide water to and distribute water at Fort Pickett.

(b) RELATED EASEMENTS.—The Secretary may grant to the Town the following easements relating to the conveyance of the property authorized by subsection (a):

(1) Such easements, if any, as the Secretary and the Town jointly determine are necessary in order to provide access to the water distribution system referred to in paragraph (2) of such subsection for maintenance, safety, and other purposes.

(2) Such easements, if any, as the Secretary and the Town jointly determine are necessary in order to provide access to the finished water lines from the system to the Town.

(3) Such rights of way appurtenant, if any, as the Secretary and the Town jointly determine are necessary in order to satisfy requirements imposed by any Federal, State, or municipal agency relating to the maintenance of a buffer zone around the water distribution system.

(c) WATER RIGHTS.—The Secretary shall grant to the Town as part of the conveyance under subsection (a) all right, title, and interest of the United States in and to any water of the Nottoway River, Virginia, that is connected with the reservoir referred to in paragraph (2)(A) of such subsection. The grant of such water rights shall not impair the right that any other local jurisdiction may have to withdraw water from the Nottoway River, on or after the date of the enactment of this Act, pursuant to the law of the Commonwealth of Virginia.

(d) REQUIREMENTS RELATING TO CONVEYANCE.—(1) The Secretary may not carry out the conveyance of the water distribution system authorized under subsection (a) unless the Town agrees to accept the system in its existing condition at the time of the conveyance.

(2) The Secretary shall complete any environmental removal or remediation required under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9601 et seq.) with respect to the system to be conveyed under this section before carrying out the conveyance.

(e) CONDITIONS ON CONVEYANCE.—The conveyance authorized in subsection (a) shall be subject to the following conditions:

(1) That the Town reserve for provision to Fort Pickett, and provide to Fort Pickett on demand, not less than 1,500,000 million gallons per day of treated water from the water distribution system.

(2) That the Town provide water to and distribute water at Fort Pickett at a rate established by the appropriate Federal or State regulatory authority.

(3) That the Town maintain and operate the water distribution system in compliance with all applicable Federal and State environmental laws and regulations (including any permit and license requirements).

(f) DESCRIPTION OF PROPERTY.—The exact legal description of the property to be conveyed under subsection (a), of any easements granted under subsection (b), and of any water rights granted under subsection (c) shall be determined by a survey and other means satisfactory to the Secretary. The cost of any survey or other services performed at the direction of the Secretary under the authority in the preceding sentence shall be borne by the Town.

110 STAT. 589

(g) ADDITIONAL TERMS AND CONDITIONS.—The Secretary may require such additional terms and conditions in connection with the conveyance authorized under subsection (a), the easements granted under subsection (b), and the water rights granted under subsection (c) that the Secretary considers appropriate to protect the interests of the United States.
